• You can only fund one Nottingham Building Society cash ISA in each tax year.

Can I withdraw money?	 You can't make withdrawals or close the account during the fixed rate period You can transfer funds in full or in part to another ISA. You must transfer current tax year savings in full from us. You can transfer ISA savings from previous years' in full or in part. There will be a charge of 365 days' interest on the amount transferred. This means you might get back less than you originally deposited The transfer of ISAs from one provider to another should be completed within 15 days (or up to 30 days for a transfer of a stocks and shares ISA to cash ISA) Shortly before your fixed rate period ends we will send you details of how you can reinvest your savings with us, or take out some or all of your money. If we do not hear from you, we will transfer your balance to a variable rate easy access cash ISA account. You will continue to earn tax-free interest. Your funds will be available on 01/04/2030
Additional information	 If you change your mind after you've opened your account, don't worry. If you tell us within 14 days, we'll give you your money back with interest straightaway Other accounts are available with Nottingham Building Society and other providers, subject to withdrawal conditions you can switch to these at any point.

Nottingham Building Society

We will pay your ISA free of UK income tax. The tax treatment of ISAs may change. AER stands for Annual Equivalent Rate. It shows what the interest rate would be if the interest was re-invested in the account each year.

The Financial Services Compensation Scheme (FSCS) is there to protect your money if your financial services provider goes out of business; you'll normally get your money back within seven days. All of our savings accounts are FSCS protected up to £85,000 per depositor. FSCS is funded by the financial services industry, and is free to consumers. To find out more, ask at your local branch or go to www.FSCS.org.uk
